

Pedestal

Pedestal is so named due to the elevation of the Margaret River vineyard we initially sourced fruit from to create these wines.

It is with our Pedestal range, now encompassing a number of vineyards from north to south, that we seek to uncover and express sub-regionality in this part of the world. In general terms, Northern Margaret River is better suited to red wines with its slightly warmer Indian Ocean influence whereas southern Margaret River is better suited to whites and the cooling influence of the Southern Ocean breeze.

Here we show images of Margaret River that are aromatic and vibrant, not heavily oaked. The concept of Pedestal is about raising the fruit expression above any winemaking construct.

2023 Shiraz

THE VINTAGE:

The Margaret River region experienced a cool and dry season with excellent winter rains, which allowed for good yields and exceptional quality in both whites and reds. The whites, in particular, were outstanding with bright acidity and intense fruit flavours, earning a rating of 8.5/10. The reds were also impressive, with good structure and a rating of 8/10.

THE WINEMAKING:

Fruit was handpicked and sorted. Fermentation was carried out in small lot fermenters. Moderate extraction was aimed for to ensure that the vineyard characters were fully expressed. Fruit was macerated for four weeks, the wine was then matured in new and one year old oak for six months.

THE WINE:

A perfumed bouquet of Morello cherry, black pepper and charred cinnamon spice. A long elegant Shiraz which has silky light tannins that are juicy and complex with ripe fruit flavours and great length.

Vineyard	Various
Year Planted	1998
Location	Margaret River, WA
Vines per Hectare	1666
Irrigation	Yes
Clone/s	Unknown
Rootstock	Own
Aspect	Northern
Soils	Various

Origin	Margaret River, WA
Variety	Shiraz
Picking date	March 2023
Sugar at picking	14.0 °Baume
Alcohol	14.5%
pH	3.30
Total acidity	7.50 g/L
Residual sugar	3.5 g/L
Bottled	February 2025
Cellaring Potential	8-10 years
